Adult Instructional Hockey – A 50-minute, skills based course designed to teach introductory adult skaters the basics of the game of hockey. The perfect way for adults with little or no hockey experience to get into the game or for former players looking to get back in and shake the rust off. Players will work on developing basic hockey skills including passing, shooting and proper skating technique, as well as an introduction to the concepts of game play, such as positioning, offensive and defensive strategies, and a fundamental understanding of the rules of the game.
