

# 2020 Summer Reopening COACH RESPONSIBILITIES

7.3.20

## In order to teach on FMC Club Ice sessions, coaches must:

- Preregister for all sessions
- Submit a current copy of their Certificate of Liability insurance before teaching
- Wear a face covering in the building and on the ice
- Have read the COVID guidelines accept / recognize their roles as Organizers on the ice

## Coaches are also expected to:

- Encourage all to follow the guidelines listed in the Participant / Spectator / Organizer section of the SOP, specifically
  - Maintaining individual (6 ft) and cohort (20 ft) distancing requirements
  - Using the marked flow in/out of the building
  - Quick use of the spaces for putting on skates / equipment
  - Using the appropriately marked doors to enter/exit the ice
  - Sanitizing before entering and after exiting the ice
- Enforce that participants are mobile and
  - able to carry belongings with them to and from the ice by themselves
  - refrain from using the player benches – items can only be on the barrier
  - keep items 6 ft apart from any other person's items
  - clean up after themselves and take everything, including trash when they leave
- Maintain cohort limits
  - Support that skaters should fill a cohort limit before coaches
  - Should the cohort limit be filled with skaters, teach off the ice, from ice doors, player benches, etc. at least 6 ft apart from others
- Assist in turnover procedures
  - When the session is over, encouraging all to
    - Take all belongings, including trash
    - Exit the ice maintaining a 6 ft social distance
    - Use the sanitizing station and follow markings to exit the building
  - Encourage skaters / coaches utilizing back to back sessions to
    - Make sure they have checked in for the second session
    - Help clean so the next session can start on time
    - Adhere to directives by facility staff such as exiting the ice and then re-entering
  - If needed, jump in to wipe down
    - Entry to the ice door / Exit to the ice door
    - Top of the boards where there is no glass
    - Boards / area by the radio
    - Radio / cords, etc.
