COME JOIN THE FUN!

FFMC Navin offers skaters the opportunity to take part in skating events as an individual or team skater. We offer Theater on Ice, Synchronized Skating and smaller ensemble groups.

Theater on Ice will help the skater explore their inner thespian while learning fun new skills. We take a story or a theme and work music, costume, props and choreography around that story or theme and showcase the finished product at various competitions and our annual winter exhibition and spring ice show.

Synchronized Skating is a great medium to learn how to work together as a team, build better and stronger edges, turns and posture while skating in unison in different formations and shapes.

Our various types of smaller ensemble groups may be in the form of Team Compulsories, Pattern Team, Production or Ensemble. We usually start these mid-season as a mini break from the Theater and Synchro programs for skaters to explore new maneuvers and elements in other aspects of our sport.

**TEAM PRACTICES ON
